

## **Antibias Education Goals and Outcomes** (Derman-Sparks, 2010, Teaching Tolerance)

- **Goal 1: Each child will demonstrate self-awareness, confidence, family pride, and positive social identities.**
  - I know and like who I am and can talk about my family and myself and name some of my group identities.
  - I can talk about interesting and healthy ways that some people who share my group identities live their lives.
  - I know that all my group identities are part of me—but that I am always ALL me.
  - I can feel good about myself without being mean or making other people feel bad.
  - I see that the way my family and I do things is both the same as and different from how other people do things, and I am interested in both.
