

Antibias Education Goals and Outcomes (Derman-Sparks, 2010, Teaching Tolerance)

- **Goal 2: Each child will express comfort and joy with human diversity; accurate language for human differences; and deep, caring human connections.**
 - I like being around people who are like me and different from me, and I can be friendly to everyone.
 - I can describe some ways that I am similar to and different from people who share my identities and those who have other identities.
 - I want to know about other people and how our lives and experiences are the same and different.
 - I know everyone has feelings, and I want to get along with people who are similar to and different from me.
 - I find it interesting that groups of people believe different things and live their daily lives in different ways.
